First names revealed

PAS-Festival
Pleasure, Art & Science

Friday 6 and Saturday 7 September, 19:00 – after midnight
Various locations Maastricht University and Hogeschool Zuyd
Free entrance

For the sixth time Studium Generale organises the ***Pleasure, Art & Science Festival***. During the **PAS Festival**, Maastricht University will be opening the doors of some of its buildings to anyone with an inquiring mind who wants to be treated to an adventure-packed evening. Delve into the latest research at the university and treat yourself to concerts, (street) theatre, dance, art and demos. And enjoy a drink in between.

On the following page, you will find the first names of the programme. The booklet will be available from mid-August onwards. On the website and via Facebook you can already follow the progress of the programme from May onwards.
